Monthly Commentary

The Company's gross revenue return for the month was 1.34% (1.32p). Gross revenue returns performed in line with the Company's expectations. The average interest rate on the portfolio was 14.8%, compared to 14.7% in December 2022. The Company's gross capital return for the month was 0.23% (0.23p). The gross capital return was driven primarily by changes to the Company's credit investments (-0.15%), unlisted equity investments (-0.01%), and publicly traded investments (0.39%).

During the month, the Investment Manager purchased 57,503 shares of the Company with 20% of its monthly management fee following the announcement of the November NAV.

Events Subsequent to 31 January 2023

On 22 February 2023, the Company declared its 20th consecutive dividend of 2.00 pence per share for the three months to 31 December 2022, and the dividend will be paid on 30 March 2023.

As previously disclosed, the Board determined that it would be in the best interests of the Company and its Shareholders to put forward formal proposals for a managed wind-down of the Company. The Investment Manager is working with the Board to prepare a circular regarding the proposed wind-down. The Board expects the circular to be published in the coming weeks, following regulatory approval.

With the announcement of the December NAV, the Investment Manager purchased 54,865 shares of the Company with 20% of its monthly management fee.

The Company’s Investment Objective

The Company’s investment objectives are to:

- ❖ generate an attractive total return for shareholders of consistent distributable income and capital growth through asset-backed lending;
- ❖ achieve portfolio diversification to emerging and established businesses across different industries and geographies with the goal of building long-term, sustainable value; and
- ❖ enable shareholders to benefit from equity upside through equity-linked securities issued in conjunction asset-backed lending.

VPC identifies and finances emerging and established businesses globally and seeks to provide the Company with attractive yields on its portfolio of credit investments. VPC offers a differentiated private lending approach by financing Portfolio Companies through asset-backed delayed draw term loans, which is referred to as “Asset Backed Lending.” Asset Backed Lending affords various structural protections and covenants which are designed to limit downside risk while providing shareholders with strong income returns.
